

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 07-6039

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

versus

CARLOS ALBERTO PEREZ-FULGENCIO,

Defendant - Appellant.

Appeal from the United States District Court for the Western District of Virginia, at Roanoke. Samuel G. Wilson, District Judge. (5:01-cr-30058-SGW-1; 7:05-cv-00235-SGW)

Submitted: June 29, 2007

Decided: July 13, 2007

Before MOTZ, KING, and DUNCAN, Circuit Judges.

Dismissed by unpublished per curiam opinion.

Carlos Alberto Perez-Fulgencio, Appellant Pro Se. Ray Burton Fitzgerald, Jr., OFFICE OF THE UNITED STATES ATTORNEY, Charlottesville, Virginia, for Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Carlos Alberto Perez-Fulgencio seeks to appeal the district court's order denying his Fed. R. Civ. P. 60(b) motion for reconsideration of the district court's order denying relief on his 28 U.S.C. § 2255 (2000) motion. The order is not appealable unless a circuit justice or judge issues a certificate of appealability. 28 U.S.C. § 2253(c)(1) (2000); Reid v. Angelone, 369 F.3d 363, 369 (4th Cir. 2004). A certificate of appealability will not issue absent "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2) (2000). A prisoner satisfies this standard by demonstrating that reasonable jurists would find that any assessment of the constitutional claims by the district court is debatable or wrong and that any dispositive procedural ruling by the district court is likewise debatable. Miller-El v. Cockrell, 537 U.S. 322, 336-38 (2003); Slack v. McDaniel, 529 U.S. 473, 484 (2000); Rose v. Lee, 252 F.3d 676, 683-84 (4th Cir. 2001). We have independently reviewed the record and conclude that Perez-Fulgencio has not made the requisite showing. Accordingly, we deny a certificate of appealability and dismiss the appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

DISMISSED
