Before NIEMEYER, KING, and SHEDD, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Darnell Stanley, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Darnell Stanley appeals the district court's order denying relief on his motion for relief pursuant to Fed. R. Civ. P. 60(b). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Stanley v. United States, No. 1:06-cv-00216-JCC (E.D. Va. Sept. 18, 2007). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
