PER CURIAM:

Robert R. Curtis appeals the district court's order substituting the United States for all defendants and granting judgment to the United States. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Curtis v. Thompson, No. 8:05-cv-00868-RWT (D. Md. Jan. 31, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
