PER CURIAM:

Evans Lee Jones, a federal prisoner, appeals the district court's order denying his post-judgment motion for order to show cause. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Jones v. Pettiford, No. 3:06-cv-02597-CMC (D.S.C. filed Apr. 30, 2008; entered May 1, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
