PER CURIAM:

Charles Lee Brewer appeals the district court's order granting in part and denying in part his motion for reduction of sentence under 18 U.S.C. § 3582(c)(2) (2006) and reducing the sentence for his conviction for possession with the intent to distribute cocaine base to 168 months' imprisonment. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court, United States v. Brewer, No. 3:95-cr-00010-JPB (N.D. W. Va. May 28, 2008), and in our recent decision in United States v. Dunphy, 551 F.3d 247 (4th Cir. 2009). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
