PER CURIAM:

Elijah James Gaddy, a federal prisoner, appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his 28 U.S.C. § 2241 (2006) petition. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Gaddy v. United States, No. 3:07-cv-03595-SB (D.S.C. Sept. 22, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
