PER CURIAM:

Rhonda Coal Company seeks review of the Benefits Review Board's decision and order affirming the administrative law judge's award of black lung benefits pursuant to 30 U.S.C. §§ 901-945 (2006). Our review of the record discloses that the Board's decision is based upon substantial evidence and is without reversible error. Accordingly, we deny the petition for review for the reasons stated by the Board. Rhonda Coal Co. v. Director, Office of Workers' Comp. Prog., No. 08-0234-BLA (B.R.B. Nov. 26, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
