PER CURIAM:

Jill and Wilbur Thompson appeal the district court's orders granting Plaintiff's motion for summary judgment, denying Appellants' motions to suppress and for sanctions, and denying leave to amend Appellants' answer. We have carefully reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Thompson, No. 1:07-cv-01100-GBL-TRJ (E.D. Va. filed Nov. 24, 2008; entered Nov. 26, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
