PER CURIAM:

David Louis Whitehead appeals the district court's order denying his motion to reopen or reassign his case and reconsideration thereof and the district court's order denying his motion to recuse the district court judge and consolidate his case and reconsideration thereof. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Whitehead v. Twentieth Century Fox Film Corp., No. 1:06-cv-01349-CMH-LO (E.D. Va. Mar. 16, 2009; filed Mar. 31, 2009 & entered Apr. 2, 2009; filed May 8, 2009 & entered May 13, 2009). We deny Whitehead's motion to consolidate these appeals with other appeals he has filed with this court, deny his emergency consolidated motion for injunctive relief, and deny his supplemental motions for injunctive relief. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
