Victor Wardell Wright, Petitioner Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Victor Wardell Wright petitions for a writ of mandamus, alleging the district court has unduly delayed acting on his motion for leave to conduct discovery. He seeks an order from this court directing the district court to act. Our review of the docket reflects that after seeking and receiving several extensions of time, the government filed a response to Wright's motion on June 4, 2009, and Wright replied later that month. On these facts, we conclude there has been no undue delay in the district court. Accordingly, although we grant leave to proceed in forma pauperis, we deny the mandamus petition. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
