Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Donald Edward Leggett appeals from the district court's order denying his motion to reduce his sentence under 18 U.S.C. § 3582(c)(2) (2006). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See United States v. Leggett, No. 7:01-cr-00037-F-1 (E.D.N.C. Jan. 6, 2009) (noting that Leggett's designation as a career offender precluded relief). We dispense with oral argument as the facts and legal contentions are adequately addressed in the materials before the court and argument would not aid the decisional process.
