PER CURIAM:

James Davis appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Davis v. Reese, No. 1:08-cv-00096-LMB-JFA (E.D. Va. Mar. 6, 2009). We deny Davis' motions for appointment of counsel and his motion to defer payment of the filing fee. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
