

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 09-6905

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

v.

BOBBY JAMES BROWN,

Defendant - Appellant.

Appeal from the United States District Court for the District of Maryland, at Baltimore. Andre M. Davis, District Judge. (1:00-cr-00100-AMD-1)

Submitted: June 16, 2010

Decided: June 25, 2010

Before WILKINSON, KING, and SHEDD, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Bobby James Brown, Appellant Pro Se. Rod J. Rosenstein, United States Attorney, Baltimore, Maryland, for Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Bobby James Brown appeals the district court's orders denying his 18 U.S.C. § 3582(c)(2) (2006) motion for reduction of sentence and his motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Brown, No. 1:00-cr-00100-AMD-1 (D. Md. April 22, 2009). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED
