PER CURIAM:

Michael Corey Fluker appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Fluker v. Owens, No. 9:08-cv-03704-HFF (D.S.C. Dec. 11, 2008 & Sept. 23, 2009). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
