PER CURIAM:

Randy Scott Rader appeals the district court's order denying his 28 U.S.C. § 3582 (2006) motion for a reduction in sentencing. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Rader, No. 1:04-cr-00071-jpj-1 (W.D. Va. Nov. 4, 2009). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
