Submitted: April 14, 2011

Decided: May 4, 2011

Before KING, SHEDD, and AGEE, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Eula Dickson, Andrea Dickson, Appellants Pro Se. Stephen Norman Goldberg, Richard Evan Solomon, COHN, GOLDBERG & DEUTSCH, LLC, Towson, Maryland, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Appellants appeal the district court's order dismissing their complaint alleging numerous causes of action arising from a state foreclosure proceeding. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Dickson v. Cohn, No. 8:09-cv-00937-PJM (D. Md. Dec. 7, 2009); see also 4th Cir. R. 34(b) (stating that this court's review is limited to the issues raised in the informal brief). We deny Appellants' motions to strike and for sanctions. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
