PER CURIAM:

Patricia T. Patterson appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on her 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Patterson v. Funderburk, No. 0:10-cv-00676-MBS (D.S.C. June 10, 2010). We deny Patterson's motion for default judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
