Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Robert Neal, Sr., appeals the district court's order denying his motion to compel the Government to file a Fed. R. Crim. P. 35 motion. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Neal, No. 0:02-cr-01392-CMC-1 (D.S.C. Apr. 29, 2010). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
