PER CURIAM:

Larry Hamilton, Jr., appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2006) complaint. Appellee Evans has moved to dismiss, arguing Hamilton's notice of appeal was untimely. We deny Evans's motion. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. Hamilton v. Washington Cty. Det. Ctr., Nos. 8:09-cv-00516-RWT; 8:09-cv-00722-RWT (D. Md. May 26, 2010). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
