PER CURIAM:

Kyron Geanes appeals the district court's order denying his motion for a reduction in sentence pursuant to 18 U.S.C. § 3582(c)(2) (2006). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Geanes, 1:04-cr-00425-LMB-1 (E.D. Va. Sept. 29, 2010). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
