PER CURIAM:

Derek N. Jarvis appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Jarvis v. Chasanow, No. 8:11-cv-00627-AW (D. Md. Mar. 15, 2011); see Briscoe v. LaHue, 460 U.S. 325, 335 (1983) (noting that quasi-judicial immunity accorded to individuals who play integral part in judicial process); Johnson v. Turner, 125 F.3d 324, 332 (6th Cir. 1997) (finding clerk's office employees, acting as a judge's designee, are entitled to quasi-judicial immunity). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
