Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Nikki Thompson appeals the district court's order denying relief on her 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Thompson v. City of Danville, No. 4:10-cv-00012-JLK (W.D. Va. June 3, 2011). The motions for consideration of discovery information and for relief are denied. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
