Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Derek N. Jarvis appeals the district court's order granting summary judgment to Analytical Laboratory Services, Inc., in Jarvis' employment discrimination action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Jarvis v. Analytical Lab. Servs., No. 8:10-cv-01540-RWT (D. Md. Aug. 22, 2011). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
