PER CURIAM:

Jacob D. Peyton appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on Peyton's excessive force claim in his 42 U.S.C. § 1983 (2006) action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Peyton v. Carico, No. 7:09-cv-00492-JPJ-PMS (W.D. Va. May 20, 2011). We further deny Peyton's motion for injunctive relief. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
