PER CURIAM:

Joseph Lagana appeals the district court's order granting appellees' motion for summary judgment. We have reviewed the record and find no reversible error. Accordingly, we deny Lagana's motion for appointment of counsel and affirm for the reasons stated by the district court. Lagana v. Tessema, No. 8:10-cv-03493-PJM (D. Md. Aug. 15, 2011). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
