

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 12-1185

GREGORY E. CAMDEN,

Plaintiff - Appellant,

v.

AMSEC CORPORATION,

Defendant - Appellee.

Appeal from the United States District Court for the Eastern District of Virginia, at Norfolk. Arenda Wright Allen, District Judge. (2:11-cv-00554-AWA-FBS)

Submitted: October 10, 2012

Decided: October 26, 2012

Before AGEE, DAVIS, and DIAZ, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Gregory E. Camden, MONTAGNA KLEIN CAMDEN LLP, Norfolk, Virginia, for Appellant. Michael W. Thomas, THOMAS, QUINN & KRIEGER, LLP, San Francisco, California, for Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Gregory Edward Camden appeals the district court's order dismissing his civil complaint in which he sought enforcement of attorney's fee orders issued in a proceeding under the Longshore and Harbor Worker's Compensation Act, 33 U.S.C. §§ 901-950 (2006). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Camden v. AMSEC Corp., No. 2:11-cv-00554-AWA-FBS (E.D. Va. Jan. 20, 2012). We grant Appellee's motion to reactivate the stayed appeal, and deny Camden's motion seeking judgment approving settlement of the parties. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED
