PER CURIAM:

Steven Morales appeals the district court's order dismissing his 42 U.S.C. § 1983 (2006) claims and its subsequent order denying his motion to amend the judgment. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Morales v. Richardson, No. 8:11-cv-03215-JFM (D. Md. Jan. 30, 2012; Mar. 6, 2012). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
