Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Edmond Machie appeals the district court's order denying his motion for an extension of time and dismissing his civil complaint. On appeal, we confine our review to the issues raised in the Appellant's brief. See 4th Cir. R. 34(b). Because Machie's informal brief does not challenge the basis for the district court's disposition, Machie has forfeited appellate review of the court's order. Accordingly, we affirm the district court's judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
