PER CURIAM:

Mud Lick Mining Corporation and American Mining Insurance Company seek review of the Benefits Review Board's decision and order affirming the administrative law judge's award of black lung benefits pursuant to 30 U.S.C. §§ 901-945 (2012). We have reviewed the parties' briefs and the record on appeal and conclude that the Board's decision is based upon substantial evidence and is without reversible error. Accordingly, we deny the petition for review for the reasons stated by the Board. Mud Lick Mining Corp. v. Hash, No. 11-0402 BLA (B.R.B. Mar. 29, 2012). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
