PER CURIAM:

Rani Mehar appeals the district court's order granting summary judgment in favor of Defendant in Mehar's employment discrimination action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Mehar v. 7-Eleven, No. 8:06-cv-01776-AW (D. Md. May 29, 2007). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
