PER CURIAM:

Timothy Bernard Sanchious appeals the district court's order denying his motion under 18 U.S.C. § 3582(c)(2) (2006) for reduction of sentence. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Sanchious, No. 3:04-cr-00233-JAG-1 (E.D. Va. Apr. 4, 2012). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
