PER CURIAM:

David Michael Blackmon appeals the district court's order denying his motion for a sentence reduction under 18 U.S.C. § 3582(c)(2) (2006). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See United States v. Blackmon, No. 3:01-cr-00184-GCM-5 (W.D.N.C. June 27, 2012). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
