PER CURIAM:

Barbara Kim Dang appeals from the district court's order dismissing her adversary proceeding that was filed in the bankruptcy court. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Dang v. BWW Law Group, No. 1:12-cv-03342-RDB (D. Md. Apr. 17, 2013). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
