PER CURIAM:

La'Tila D. Abbott appeals the district court's order dismissing her civil action alleging employment discrimination. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Abbott v. Marketstar Corp., No. 3:13-cv-00143-HEH-MHL (E.D. Va. Oct. 8, 2013). We deny Abbott's pending petitions for mandamus, for a jury trial, and to enjoin a non-party from filing documents in this appeal, and her pending motion to suppress, and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
