PER CURIAM:

Zelman Roach appeals the district court's order denying his motion for reduction of sentence pursuant to 18 U.S.C. § 3582(c) (2006). We have reviewed the record and find no reversible error. Accordingly, we grant leave to proceed in forma pauperis and affirm for the reasons stated by the district court. United States v. Roach, No. 3:05-cr-00207-JAG-1 (E.D. Va. Dec. 20, 2012). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
