PER CURIAM:

Tessa R.R.G.C. Childress appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on her 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Childress v. Charleston Cnty. Sheriff's Office, No. 2:13-cv-01008-SB (D.S.C. June 26, 2013). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
