PER CURIAM:

Paul E. Seelig appeals the district court's order dismissing his 42 U.S.C. § 1983 (2006) civil rights action without prejudice for failure to exhaust administrative remedies. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Seelig v. Keller, No. 5:11-ct-03243-BO (E.D.N.C. June 14, 2013). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
