Appeal from the United States District Court for the District of South Carolina, at Rock Hill. Cameron McGowan Currie, Senior District Judge. (0:12-cv-00304-CMC)

Submitted: November 21, 2013

Decided: November 26, 2013

Before KING, DUNCAN, and DIAZ, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Dontay Markeith Wells, Appellant Pro Se. Barbara Murcier Bowens, Assistant United States Attorney, Columbia, South Carolina, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Dontay Markeith Wells appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his complaint filed pursuant to Bivens v. Six Unknown Named Agents of Fed. Bureau of Narcotics, 403 U.S. 388 (1971). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Wells v. Fallen, No. 0:12-cv-00304-CMC (D.S.C. Aug. 26, 2013). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
