

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 13-7849

WILLIAM F. BRECKENRIDGE,

Petitioner - Appellant,

v.

COMMONWEALTH OF VIRGINIA; MICHAEL HALLAHAN, Defense
Counsel,

Respondents - Appellees.

Appeal from the United States District Court for the Western
District of Virginia, at Roanoke. James C. Turk, Senior
District Judge. (7:13-cv-00441-JCT-RSB)

Submitted: March 27, 2014

Decided: April 1, 2014

Before MOTZ, Circuit Judge, and HAMILTON and DAVIS, Senior
Circuit Judges.

Dismissed by unpublished per curiam opinion.

William F. Breckenridge, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

William F. Breckenridge seeks to appeal the district court's order denying relief on his 28 U.S.C. § 2254 (2012) petition. The order is not appealable unless a circuit justice or judge issues a certificate of appealability. 28 U.S.C. § 2253(c)(1)(A) (2012). A certificate of appealability will not issue absent "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2) (2012). When the district court denies relief on the merits, a prisoner satisfies this standard by demonstrating that reasonable jurists would find that the district court's assessment of the constitutional claims is debatable or wrong. Slack v. McDaniel, 529 U.S. 473, 484 (2000); see Miller-El v. Cockrell, 537 U.S. 322, 336-38 (2003). When the district court denies relief on procedural grounds, the prisoner must demonstrate both that the dispositive procedural ruling is debatable, and that the petition states a debatable claim of the denial of a constitutional right. Slack, 529 U.S. at 484-85.

We have independently reviewed the record and conclude that Breckenridge has not made the requisite showing. Accordingly, we deny a certificate of appealability, deny leave to proceed in forma pauperis, and dismiss the appeal. We dispense with oral argument because the facts and legal

contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

DISMISSED
