PER CURIAM:

Christopher L. Harris, a federal prisoner, appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his 28 U.S.C. § 2241 (2012) petition. We have reviewed the record and find no reversible error. Accordingly, although we grant leave to proceed in forma pauperis, we affirm for the reasons stated by the district court. Harris v. Hogsten, No. 1:13-cv-11595 (S.D.W. Va. Nov. 13, 2013). We deny Harris' motion for an injunction in which he seeks immediate release from prison. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
