PER CURIAM:

Bryant Moore appeals the district court's order granting summary judgment in favor of the Appellees on Moore's claims of copyright infringement. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See generally Moore v. Lightstorm Entm't, Inc., 992 F. Supp. 2d 543 (D. Md. 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
