PER CURIAM:

Suyu Shi, a native and citizen of the People's Republic of China, petitions for review of an order of the Board of Immigration Appeals ("Board") denying his motion to reopen and remand. We have reviewed the administrative record and the Board's order and find no abuse of discretion. See 8 C.F.R. § 1003.2(a) (2014). We therefore deny the petition for review. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

PETITION DENIED
