PER CURIAM:

Mary Ann Alameda appeals the district court's order dismissing without prejudice her civil action alleging employment discrimination. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Alameda v. Brennan, No. 1:13-cv-01363-CMH-TCB (E.D. Va. Mar. 19, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
