PER CURIAM:

Juliette N. Finney appeals the district court's order adopting the magistrate judge's recommendation and upholding the Commissioner's denial of Finney's applications for disability insurance benefits and supplemental security income. We have reviewed the record and find no reversible error. Accordingly, we affirm. Finney v. Colvin, No. 1:11-cv-00109-TDS-JLW (M.D.N.C. Feb. 25, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
