Staffioney Campbell, Appellant Pro Se. Benton Louis Toups, CRANFILL, SUMNER & HARTZOG, LLP, Wilmington, North Carolina, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Staffione Campbell appeals the district court's order dismissing her employment discrimination complaint and denying her motion to amend the complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Campbell v. Anderson, No. 7:14-cv-00040-BO (E.D.N.C. Oct. 17, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
