PER CURIAM:

Marlon Goodwin appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2012) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Goodwin v. Barnes, No. 1:09-cv-00151-NCT-LPA (M.D.N.C. Mar. 11, 2013). We grant Goodwin's motion to be heard on the full record before the district court and deny his motion for appointment of counsel. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
