William H. Evans, Jr., Petitioner Pro Se.

---

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

William H. Evans, Jr., petitions for a writ of mandamus, alleging the district court has unduly delayed acting on his complaint filed pursuant to Bivens v. Six Unknown Named Agents of Fed. Bureau of Narcotics, 403 U.S. 388 (1971), and his 28 U.S.C. § 2241 (2012) petition. He seeks an order from this court directing the district court to act. Our review of the district court's dockets reveals that the district court has dismissed his Bivens complaint and transferred his § 2241 petition to the district where he is currently in custody.

Accordingly, because the district court has recently acted in Evans' cases, we deny the mandamus petition as moot. We deny his motion to order corrections officials to take certain actions, and deny his petition for rehearing en banc without prejudice to his right to refile the petition if he so chooses within the time allowed. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
