PER CURIAM:

Adrian Lyndell Cook appeals the district court's order denying what it construed as motions for appointment of counsel and for a sentence reduction, pursuant to 18 U.S.C. § 3582(c)(2) (2012). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Cook, No. 4:08-cr-00029-RGD-FBS-1 (E.D. Va. Dec. 11, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
