PER CURIAM:

Aaron B. Roberts appeals the district court's order granting Defendants summary judgment in his 42 U.S.C. § 1983 (2012) action. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. Roberts v. Walker, No. 1:14-cv-00720-GLR (D. Md. Mar. 4, 2015). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
