Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Johnnie Wayne Davenport appeals the district court's order denying his motion for relief of judgment, under Fed. R. Civ. P. 60(b), and related motions, challenging his 2011 criminal conviction. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Davenport, No. 2:11-cr-00020-H-1 (E.D.N.C. June 10, 2015). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
